1 From Fleet Dyke take the footpath through the trees beside the signpost. This soon opens up into **Fleet Lane** and passes through the Marine Tech premises. Continue past houses and the small public staithe and slipway.

2 Just before reaching a public car park veer right onto a track called **Kingfisher Lane**. Pass the thatched cottage and follow the track through bends. On reaching a metalled road pass a property called Charity Barn then look right for signs up on a bank to a footpath across a field.

3 Follow the well-trodden path straight across the field to the road.

4 Turn right onto **School Road**.

5 Continue past Fairhaven Woodland and Water Gardens.

6 At the crossroads turn right onto **The Street**.

7 Just past the churches of St Lawrence and St Mary you will see The Ship on the left. Come in for a well-earned rest and refreshment!
